City, Bangalore, 16th November 19--.

From

THE PRESIDENT,
MUNICIPAL ~~COMMISSION~~,
BANGALORE CITY.

To The Secretary to the
Government of Mysore
General & Revenue Depts
Bangalore.

Sir,

I have the honor to state, there is a large piece of hollow ground measuring nearly half an acre to the South the 5th main road in the Chamarajendra-pete of the Bangalore City in front of Raja Venkata Subba Chetty's house. During the rainy season water collects in it and stagnates for months. The residents in the neighbourhood Com-plain that such stagnation of water brings on Sickness. As the cost of filling this ditch will come to about Rs 500/. the site will not be taken...

up by any body. It does not belong the Municipality as the value of is sold in Chamarajendrapet is credited to the City Improvement Fund.

Under those circumstances beg to propose that the said land given free of Cost to the owner of the adjacent house, viz, the said aya Venkata Subba Chetty, on the condition of his filling up the pit and planting thereon fence-preventing trees within a specified time (say 2 months) and keeping the ground always open.

No. 114/1

From

THE PRESIDENT,

MUNICIPAL COMMISSION,

BANGALORE CITY.

To The Secretary to the
Government of Mysore
General & Revenue Depts
Bangalore.

Sir,

With reference to Government Proceedings No. 7414/Z.7.4-98 dated the 27th November 1900 calling for further information about the hollow ground to the south of the 5th Cross road in the Chamarajendrapete of Bangalore, I have the honor state that the said ground not included in Statement No. 4 alluded to in para 12 of Government Proceedings No. 24999-25008/Z.7.82-92 dated the 27th June 189

-ning formed part of survey
No 27 of the Guttahalli village —
measuring 11 a - 16 G. The extent acquired
out of it on account of the Western
Extension was 5 a - 32 G and the
Compensation paid for it was
Rs 580/- at Rs 100/- per acre. Leaving
out the land disposed of by sale,
and utilized for roads &c, the
remaining bit of vacant space
now in question measures 18 G - 79 2/3 sq. yds.
The hallow portion of it measures
3 G - 35 2/9 sq. yds and the level ground
to the north of it 5 G - 44 4/9 sq. yds. The pro-
-portionate amount of Compensation
therefor at Rs 100/- per acre is Rs
33 - 3 - 6 and Rs 13 - 3 - 6 respectively.
Besides the strip of the level
ground referred to, there is also
a road margin of 15 feet. The

shallow portion alone is proposed
to be granted free of cost to Raja
Venkata Subba Chetty. The plot of
level ground may be sold to
him at the same rate as it
was originally acquired, viz,
Rs 100/- per acre. In that case a
sum of Rs 13 - 3 - 6 will have to
be recovered from him. Therefor

A rough sketch of the Ground
in question is herewith Sub-
-mitted for reference.
